

Va va venue

We like the Morrison Hotel for its contemporary styling and it's the perfect city venue for a unique wedding. Enter through your own private entrance to the Art Gallery for a drinks reception followed by your wedding meal in the modern Printworks space and you'll also get exclusive use of the Court Yard garden for the evening. The hotel can cater for up to 200 people with a number of different options for smaller weddings, including using Halo restaurant for your meal, followed by a larger party for all of your friends that evening in

Printworks.
