HYBRID / VIRTUAL MEETINGS

Form & function: we invest in technology so your event functions as beautifully as it looks...

- Our meeting space was recently upgraded and we offer Crestron wall panels allowing clients to control every aspect of their meeting from the lighting to sound
- Enjoy surround sound features with HD Projectors, compatible with both HDMI and VGA
- Complimentary 900MB WiFi, fastest in the city & private to your event if required
- Strand Street features an Ultra-sleek 75" Sony Bravia full HD output, including wireless connectivity via ClickShare Meeting
- We are also looking our best with an interior facelift offering Junker Oak wood flooring, ensuring superior acoustic qualities

All spaces bright & beautiful...

Our largest meeting room Printworks is the ideal room for your next conference or meeting – measuring 250 meters squared, with floor to ceiling windows, it allows natural day light and fresh-air throughout the room. The adjoining Court Yard garden can be used for coffee breaks or lunch to ensure everyone is making the most of our outdoor space even on a rainy day with our fully retractable canopy. Attached are our room capacities across 3 social distancing guidelines. Printworks can be set out either as 1 room or split into 2 as required depending on your meeting set up requirements.

All meeting rooms are fitted with complimentary Dual band, 900Mb WIFI as well as use of our screen and projector included within our room hire rates.

Hilton EventReady with CleanStay

To give you even more confidence Hilton has announced and implemented new standards for event cleanliness and customer service with Hilton EventReady with CleanStay. This industry leading program has been shaped by extensive research and feedback.

The key tenets of the Hilton EventReady with CleanStay program include:

Cleanliness Protocols:

The program expands on the elevated sanitation standards of the recently-announced Hilton CleanStay program, addressing every touch point of the meeting experience. This includes room seals for guest and meeting rooms, sanitizing stations in public areas and meeting spaces and EventReady Room Checklist which is shared with guests upon arrival.

Book-to-Billing Flexibility:

Understanding the importance of flexibility, our team will work hand-in-hand with customers to align on shared objectives, providing:

Flexible pricing, space options and contract terms;

Responsive offers to meet the needs of customers, like simplified agreements for small meetings;

Safe and Socially Responsible Solutions:

To responsibly host meetings and events, we will partner with our clients to achieve objectives around health and environmental concerns, creative physical distancing meeting set ups and food and beverage service, all measured through our innovative environmental impact program, LightStay.

Each meeting and event experience is backed by Hilton hospitality from dedicated Team Members who aim to overdeliver on client expectations from both the event professional and the attendees.
